

Join us for
Carolina Springs Elementary's
Family Math Night at Food Lion!

You and your family are invited to have fun doing
"grocery store math" at
Food Lion!

When?

Thursday, January 30 for Grades K4-5th
Drop-in from 5:30 to 7:00 p.m.

Where?

At our local Food Lion store on Hwy 6.

What will we do?

Families will receive a set of questions as they enter the store. Parents help their children on different aisles and departments to gather the information to answer each question. There are questions suitable for different grade levels on the same sheet. Families are also welcome to shop during this event. As you leave the store, be sure to turn in your questions so that teachers can give credit for your participation and give the prizes. This will be a wonderful opportunity to extend classroom learning to everyday life experiences.

Remember this is a drop-in, so come when you can between 5:30-7 PM, but allow at least 30 minutes to complete the activities.

Questions? Email Mrs. Leah Dukes at ldukes@lexington1.net.

*To help us plan better, please RSVP below.
Clip and return the bottom of this form to your
child's teacher.*

Yes! We will be at Food Lion for Family Math Night
on *Thursday, January 30!*
